1 APPLY / REAPPLY

www.pencol.edu/getstarted

Apply online or in person (Student Services Building D). There is no application fee.

The earlier the better: apply online now or request a paper version from Student Services. Once your application has been processed you will receive a response email/letter that will include your Student Identification Number (SID) and global PIN.

Transcripts - If you have credits from a previous college(s):

Step 1: Order all prior official college transcripts to be sent to Peninsula College at 1502 E. Lauridsen Blvd., Port Angeles WA 98362. Prior college(s) will have their own official transcript request forms (often on their websites) and may charge a fee.

Step 2: Complete the Transcript Evaluation Request Form located in the online Student Center to have your prior college credits evaluated toward a Peninsula College degree.

2 FIND MONEY

Plan ahead and do this at the same time as steps 1-6. Applying for financial aid and scholarships is a process, not a single step.

Apply for Financial Aid by completing the Free Application for Federal Student Aid (FAFSA). Be aware of the deadlines! For additional funding opportunities, visit startnextquarter.org.

3 TAKE PLACEMENT TEST

Please note there is a \$20 fee to take the assessment test (you must provide proof of payment and photo ID at the time of testing). If you have placement scores from another college please have them faxed to (360) 417-6416.

4 GET ORIENTED

5 ADVISE AND REGISTER

Meet with an advisor to create your road map for success and register for classes.

After placement testing and new student orientation, schedule an advising appointment with Student Development to discuss classes, create your educational plan, and register for classes.

Browse the online class schedule at www.classes.pencol.edu. Peninsula College does not allow late registration. Registration must happen before the first day of the quarter.

6 PAY TUITION
