RULES:

- Six-person coed. No limit on subs.
- Must have equal men/women on court or more women than men. (Exception can start 2-1 if only have one woman). Teams are not permitted to play with 3 men and 2 women, even if their opponent is willing.
- **Players may not fill in on other teams. If you are short, declare a forfeit and then play with anyone you wish. A player who is unattached can fill in on more than one team, but a player who is listed on someone's roster cannot.**
- Matches will be Best-of-5 to 25, game 5 to 15, rally scoring. No cap. No more than 2 minutes between games. Teams not ready to start should start short-handed.
- Matchers will be declared over at 9:20. The team that is leading may not call for a timeout after 9:00. The team that is leading a game in progress will win that game. If the games are then split, a Game 5 will start and be played to 7 points. There will be no 2-minute break.
- WE DO NOT HAVE REFS. PLEASE REPLAY CLOSE CALLS OR DISPUTES.
- Legal actions: Let serve; double hit on first ball; playing ball off ceiling on your side, including the center beam; playing ball with entire body, but feet must be on floor; may drop bad toss once during term of service.
- Illegal actions: Cannot go onto other court pursuing ball; no net contact; cannot go under net.
- Backboards are judgment call. A ball cannot be played off a backboard, or the posts supporting the backboard.
- If you can't field a team, please call the opposing coach so they can contact their players. There is no guarantee we'll be able to reschedule games, so it's best to play shorthanded.
- If you play short-handed, you still need to rotate and you cannot exceed 3 front row hitters in any scenario. Example, when playing with 4, server cannot hit in front of 10-foot line. When playing with 3, all players can hit.
- Players must play in 5 matches to be eligible for playoffs.
