NOTES:

1. A minimum of ninety (90) credits is required for the degree.
2. A minimum grade point average of 2.00 is required for the degree.
3. Additional general educational requirements, cultural diversity requirements, and foreign language requirements, as required by the transfer institution, must be met prior to the completion of a baccalaureate degree.
4. ***A maximum of five (5) credits of nonacademic electives will be accepted in the "Remaining Credits" category.
5. ***A maximum of three (3) credits private music instruction will be accepted in the "Remaining Credits" category.
6. ***A maximum of five (5) credits theater/music performance will be accepted in the "Remaining Credits" category.
7. ***A maximum of six (6) credits Physical Education will be accepted in the "Remaining Credits" category.
8. Students are responsible for checking specific major requirements of baccalaureate institutions in the year prior to transferring.
9. "&" Common Course—A course with an "&" is common among Washington State Community and Technical Colleges with the same course.

ASSOCIATE IN SCIENCE DEGREE TRACK 1 WORKSHEET

Students completing this Associate in Science degree will receive the same priority consideration for admission to the baccalaureate institution as they would for completing the direct transfer associate degree and will be given junior status by the receiving institution.
