Program Description

This course will prepare students to take the Commercial Driver Skills test required to obtain a Commercial Driver License in Washington State. The course will also prepare students to enter the field of Commercial Vehicle Operators. The course will have an emphasis on safety and a basic knowledge of the rules and regulations as required by the Federal Motor Carrier Safety Administration and the Washington State Patrol. Students will be prepared to operate commercial vehicles safely and to begin employment as over-the-road drivers upon completion of course.
