Learning Outcomes

1. Apply the professional code of ethics for early care and education to resolve dilemmas.
2. Practice ideals of professionalism in work with children, families and peers.
3. Develop strategies for working with culturally, linguistically, and ability diverse families in accessing health, nutritional, and dental services.
4. Explain individual differences in development.
5. Critique infant and toddler early learning environments, articulating environmental influences on the learning processes of infants and toddlers during authentic play activities.

As of Fall 2019, this program requires students to achieve a grade of 2.0 or above in all ECED and EDUC classes to progress through and complete the program.
