Transfer Timeline

This general transfer guide does not include specific dates for specific schools; that information must be obtained from your prospective colleges and universities.

By the end of the First year...

☐ Select a major or area of study.

☐ Narrow your potential transfer schools to a maximum of 3-5 schools.

☐ Make a list of transfer requirements for your school(s) and major.

☐ Know which degree you are pursuing at PC.

☐ With your advisor, create an education plan with the courses needed for degree completion.

Other things to do:

☐ Talk with college representatives that visit PC.

☐ Contact an advisor at the transfer institution you are considering to ensure your, make sure the education plan will work for your major.

☐ Visit the campus (if applicable) of your potential transfer school(s).

☐ Complete interest cards to receive information from schools.

In The Second Year…

Fall	Winter	Spring
☐ Apply for admission to your transfer school(s) of choice, (including providing copies of official transcripts from all schools you have attended).	☐ Complete the FAFSA and additional financial aid material required by your transfer school.	☐ Complete graduation requirements for PC.
☐ Contact an advisor at your prospective transfer school(s).	☐ Complete scholarship applications.	☐ Accept/reject university offers.
☐ Research scholarship eligibility requirements and deadlines, prepare for applying.	☐ Start considering housing options at your transfer school.	☐ Apply for housing (if needed).
	☐ Apply for your degree at PC.	☐ Request final transcript from PC after grades and degrees are posted.
		☐ Attend a Transfer Orientation/Registration session at transfer institution.
