This course adheres to the U.S. Department of Transportation Guidelines and the Washington State Department of Social and Health Services Standards. Admission into the EMT (FA 120) course is regulated by Washington Administrative Code (WAC) 246-976-041, which states that a candidate **must be at least 17 years of age at the beginning of the course.**

The total length of the course is 154 hours over the duration of one quarter (11-12 weeks). **The class meets every Wednesday from 6:00pm-10:00pm and Saturday from 9:00am-6:00pm.** Additional hours for mandatory field internship and Health Care Provider CPR will be schedule as needed outside of the above stated class periods.

Upon successful completion of the course, students will receive a Certificate of Completion and be eligible to take the NREMT computer-based exam.

EMT-BASIC APPLICATION PROCEDURE

Applications must be submitted by the following deadline dates, to be considered for entrance:

Fall Quarter – August 15

Spring Quarter – March 1

Admission is granted based upon a verifiable affiliation relationship first and then as space allows. No application is considered unless all documents listed on page 2 are included.

Accepted students will be notified by e-mail approximately four (4) weeks prior to the beginning of the class and will receive instructions for registration, a course schedule, and text book requirements. You must keep the coordinator informed of any e-mail address changes.

Admission policies are subject to change. Applications will be accepted under the terms in place at the time an application is received in the EMT-B Program Office. It is the responsibility of the applicant to keep up-to-date on any program changes that may affect his/her qualifications for acceptance.

AFFILIATION AND CERTIFICATION

In order to become a Washington State Certified EMT, students must be at least 18 years of age, have successfully complete an EMT course, have passed the NREMT computer-based exam and provide a document of affiliation with a pre-hospital care provider agency such as a fire department, police department, ambulance service, etc. The course instructor will explain these requirements during the class orientation on the first night. Applicants who are not affiliated may be excepted into the class based on space availability; however, affiliation must be obtained within one year after completion in order to be certified by the State of Washington. You have 12 months following completion of the class to apply for State certification.

You are also required to clear an in-depth Department of Health background check in order to receive a certificate from the State of Washington.

Please check the box that applies to your situation:

I am affiliated with _____.

Agency verification required. *Failure to obtain the signature of your agency supervisor will result in your application being processed as if you do not have an affiliation.*

Supervisor Signature _____

I am currently not affiliated and would appreciate help in identifying possible affiliation agencies.
