

PENINSULA COLLEGE

HOMESTAY PROGRAM

Host an international student in your home as part of Peninsula College's Homestay Program.

Homestays provide a unique opportunity for our international students to learn English, be introduced to the beauty of the Olympic Peninsula, participate in household activities, and learn life skills to become more independent.

Cultural Experience for the Family

- Monthly stipend paid to hosts by the student.
- Host a student for at least a quarter (but preferably for the entire academic year).
- Partial homestay (boarding) and short stays are also an option.

For more information, contact Allyn Williams, International Programs Manager, at (360) 417-6586 or AWilliams@pencol.edu.

- Laundry facilities.
