

THREE YEAR PLAN, 2026–2029

MISSION

Peninsula College, with community partners, empowers students through impactful education and accessible support. Together, we foster belonging, resilience, and growth.

VISION

Peninsula College strives to be a positive driving force for change in our communities through innovative educational practices and individualized support for students.

STRATEGIC GOALS

GOAL 1 ADVANCE STUDENT SUCCESS

Objective 1.1 Nurture an environment of belonging for students and employees.

Objective 1.2 Refine college-wide policies and practices to remove barriers for enrollment and eliminate systemic disparities in educational outcomes.

Objective 1.3 Increase engagement across all populations by strengthening relationships and partnerships throughout the community and college district.

Objective 1.4 Strengthen the first-year experience for students to achieve personal growth, foster resilience, and provide a foundation for future academic success.

Objective 1.5 Offer robust support services embedded across clearly defined academic and career pathways throughout the student experience.

GOAL 2 ACHIEVE ACADEMIC EXCELLENCE

Objective 2.1 Ensure academic programs and instructional methods are high quality, engaging, and evidence based.

Objective 2.2 Develop shared teaching values that foster continuous improvement in teaching, learning, and assessment across the curriculum.

Objective 2.3 Assess institutional, program, and course level student learning outcomes for continuous improvement.

Objective 2.4 Expand pathways and articulations for career and transfer readiness.

GOAL 3 MEET COMMUNITY NEEDS

Objective 3.1 Improve the clarity, timeliness, and inclusivity of communication throughout our campus and communities.

Objective 3.2 Expand learning pathways and adaptive programming to meet the community's business and educational needs through innovative and flexible delivery methods.

Objective 3.3 Cultivate community partnerships to grow and amplify community-engaged programming.

GOAL 4 STRENGTHEN FISCAL STABILITY & SUSTAINABILITY

Objective 4.1 Demonstrate fiscal health through intentional responses to rapid, disruptive changes in technology, economics, and higher education.

Objective 4.2 Actively shape student enrollment through program management, community outreach, flexible learning, and student support.

Objective 4.3 Improve efficiency, refine operations, and optimize resources to sustain growth aligned with our college district's evolving needs.
