**Notes**
Administrative Office Systems - Accounting Specialization

Program Description
The Administrative Office Systems (AOS) program provides up-to-date curriculum that adapts to the rapidly changing workplace. In an interactive online learning environment, students master Microsoft Office 365 and digital literacy. They observe, practice, and train, then apply their skills in a real-world business environment.

Technology skills are combined with writing and specialty courses. The program is designed to prepare students to work in a wide variety of office settings: Accounting, Administrative Support, Computer Applications Support, Legal, and Medical.

Program Goals
- Prepare students for a variety of administrative related job opportunities.
- Prepare students for a rapidly changing workplace.
- Monitor and improve relevancy of course curriculum to ensure a high-quality program.
- Monitor the needs of the community and the relevancy of curriculum through Advisory Committee meetings.

Special Features
- Intermediate and advanced training in Microsoft Office 365.
- Interactive training and skill-based assessments completed in a virtual environment.
- Projects are based on real-world business situations.
- Writing skills for a variety of technical and business applications.
- Personalized tutoring for all AOS students.
- Wide array of short-term certificates of proficiency that provide benchmarks toward the completion of a degree.
- Reduced cost for AOS course textbooks, online learning tools, and software (see Approximate Additional Costs).

Student Learning Outcomes
- Demonstrate advanced skills in cloud-based Office 365.
- Demonstrate ability to create, format, and modify word processing documents.
- Communicate information and ideas (verbal & written) for a variety of business purposes and audiences.
- Create workbooks, analyze data, and use mathematical functions.
- Create tables, relationships, forms, and reports in a relational database.
- Demonstrate an ability to organize and present information in visual presentations.
- Demonstrate competencies to succeed in an administrative office career.
- Exhibit effective interpersonal skills.

Program Prerequisites
Students entering this program should have basic knowledge of a computer and touch-typing skills. It is recommended that online students complete HUMDV 101. Writing classes are embedded in the program.

Students are required to place into the English and math/applied math courses required for this program. Learn more about placement options by visiting the Assessment and Placement website: http://www.pencol.edu/placement-testing

Career Opportunities
Potential positions include: executive assistant, legal assistant, medical office assistant, accounting assistant, and computer applications support.

Previous graduates are employed by legal and medical offices, government agencies, schools, hospitals, and private enterprises.

Potential Positions and Earning
New opportunities are very likely in the future and the occupation is projected to have a large number of job openings in Washington State.

For current employment and wage estimates, please visit and search for the relevant occupational term: www.bls.gov/oes

Approximate Additional Costs
AOS textbooks and online learning tools are purchased by subscription: Subscription purchasing options:
- 1 -semester
- 1-year
- 2-year

Average cost for each AOS class ..........................................................$27
Software ................................................ Office 365 (free for PC students)
