About Peninsula College

In 2011, Peninsula College celebrated 50 years of service. The college was founded in 1961 because a group of local citizens wanted to be able to continue their educations without having to travel great distances to college centers in Bremerton or across Puget Sound. The first classes were held in a small building on the Port Angeles High School campus, but the number of students who enrolled in the college quickly became more than the available facilities could accommodate, and plans were soon underway to build a permanent campus elsewhere in the city.

Construction of the new campus began in 1964, and a year later the first classes were held on the present site of Peninsula College with additional classes being offered all across our district. Today, the main campus spreads out over 75 acres of land in the foothills of the Olympic Mountains, overlooking the city of Port Angeles and its busy, international harbor.

ANNUAL CLERY REPORT

Before *October 1 of each year, Peninsula College compiles a report of crime statistics and College policies, procedures and programs related to campus safety and security issues, as required by the Jeanne Clery Disclosure Act. The information in this document is designed as a resource to help answer questions you may have about crimes occurring on the Peninsula College Campus or any of its satellite locations related to concerns of a personal safety nature.

*Due to the COVID-19 Pandemic – the Clery statistic data timeline for colleges and universities to share the report was pushed back and must be available to the campus community no later than December 31, 2020.

WHAT IS THE CLERY ACT?

The Jeanne Clery Disclosure Act of Campus Security and Campus Crime Statistics Act passed in 1998 by the Federal Government (formerly the Crime Awareness and Campus Security Act of 1990).

This law requires universities and colleges receiving Title IV student financial aid programs, disclose reported instances of criminal activities on or near the institution's owned or leased campuses and provide information about security policies, procedures and programs. To comply with the Clery Act, every institution must:

1.) **Collect, classify and count crime reports and crime statistics.**

- **Issue campus alerts.** To provide the campus community with information necessary to make informed decisions about their health and safety, you must:
 - Issue a timely warning for any Clery Act crime that represents an ongoing threat to the safety of students or employees;
 - Issue an emergency notification upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students or employees occurring on the campus. The regulatory requirements regarding these topics are discussed in detail in Chapter 6.
- **Publish an annual security report containing safety and security related policy statements and crime statistics and distribute it to all current students and employees.** Schools also must inform prospective students and employees about the availability of the report. This report includes data from two years prior to the most recent year. *In this particular report you will see data from calendar years 2012, 2013 and 2014.*
- **Submit crime statistics to the U.S. Department of Education.** Each year in the fall we must participate in a Web-based data collection to disclose crime statistics by type, location and year. This collection is headed by the Campus Safety Operations Manager.

Report Preparation and Distribution

The Peninsula College Department of Campus Safety is primarily charged with compiling and publishing this Annual Security Report (ASR), working with the College and several other law enforcement agencies to collect information. The process includes gathering crime statistics from campus security authorities and local law enforcement agencies where appropriate. Campus crime, arrest, and referral statistics include those reported to Campus Safety, security authorities and local law enforcement agencies.

How we share the report:

We e-mail an announcement and link to the report to all enrolled students when the report is published. Faculty and staff receive similar notification through e-mail, the intranet, and by communication directly with directors, managers, and supervisors. All prospective employees may obtain a copy from Human Resources, located in the C Building at the main campus.

This report was created to educate students, staff, faculty, and visitors

Our goal is to publish an accurate and complete report for distribution to current and prospective students, faculty, and employees through various outlets:

About Campus Safety – Authority and Jurisdiction

The Campus Safety office is located in the central part of campus, in the Pirate Union Building (P.U.B.), office J-25. Campus Safety is available by phone at (360)417-6559.

Campus Safety has a non-commissioned security force who patrol the campus on motorized vehicles and foot. Peninsula College Campus Safety officer's role on Peninsula College property is to observe and report. Campus Safety officers utilize citizen arrest powers and are supported by the college in the enforcement of all college policies, rules, regulations, applicable state and federal laws, and all city and county ordinances on college property. Campus Safety officers have the authority to ask persons for identification to ascertain if they are students, faculty, or staff and their purpose for visiting Peninsula College. Campus Safety personnel also have the authority to enforce parking regulations on Peninsula College owned or leased parking lots.

The Peninsula College Campus Safety Department employs 5 individuals within the department. One Campus Safety Operations Manager, one full time Campus Security Officer, and two part time hourly Security Guards.

Campus Safety is not authorized to make arrests, and therefore, maintain an active relationship with state and local law enforcement agencies. When the need arises, the college will contact the appropriate law enforcement agency for assistance.

On-campus property includes all buildings owned or leased to include land, structures, streets, roadways, parking facilities and lots used, leased or rented for educational purposes. Peninsula College Campus Safety reports all criminal activity on campus to local law enforcement agencies within their jurisdiction.

Clery Crimes

Crimes	Counted by number of
Homicide and non-negligent manslaughter	Victims
Negligent manslaughter	Victims
Forcible sex offenses	Victims
Non-forcible sex offenses	Victims
Robbery	Incidents
Aggravated assault	Victims
Burglary	Incidents
Motor vehicle theft	Vehicles
Arson	Incidents
Hate Crimes	Hate Crimes
Liquor, drug and weapon law offenses	Arrests or Referred to VP of Student Services

In the case of liquor, drug and weapon offences the numbers are tallied in two groups. The first set of numbers is for those individuals who are arrested and the second is for those who received College disciplinary sanctions alone. This is not a distinction between breaking the law and not breaking the law, the numbers in both groups are the result of a likely violation of the law. It is an attempt to reflect the actual impact of liquor, drug and weapon violations occurring in the campus community even when the incident does not result in an arrest. An officer or the district attorney may choose not to prosecute an individual for one of these offenses because there is insufficient evidence to reach a conviction or for other reasons, but the College may still sanction the individual for the conduct. The standard for being found liable or responsible in a civil proceeding is less than what is required for a conviction in a criminal proceeding.

The following statistics are collected and reported as a bias/hate crime: the Clery-reportable crimes described in the section above, as well as theft, simple assault, intimidation, destruction/damage/vandalism of property, and other crimes involving bodily injury to any person, where the victim was intentionally selected because of his or her actual or perceived race, sex, religion, sexual orientation, ethnicity or disability.

The statistics are compiled using the definitions in the FBI's Uniform Crime Reporting (UCR) system and modifications made pursuant to the Hate Crime Statistics Act.

Hierarchy Rule

When we examine incidents to determine if they should be included in the annual report, a portion of the Clery Act called the Hierarchy Rule comes into effect. Occasionally, a person who is arrested may have committed more than a single offense. The Hierarchy Rule requires in this situation that we count the offense which is of the most serious nature and not count an offense of lesser significance. For example, if a person committed a burglary and a murder in the course of a single act then only the murder would be counted. An exception to this rule exists for hate crimes. If a person commits any reportable offense and while doing this also commits a hate crime, then both incidents will be reported.

Excluded Crimes

In some cases an incident that is reported as a crime may not be included in the annual report. Each of the following five standards must be met for an incident to be included in the annual report:

1. **Reported to the Proper Authorities** – Incidents must be reported to law enforcement or a person who, according to the Clery Act, is defined as a Campus Security Authority (CSA). A person designated as a CSA does not only mean a person employed by the Campus Safety department. The term is applied to any person who works for the College in a paid or volunteer status and has *significant responsibility for student activities*. If you are someone whom a student reasonably believes that he or she can report a crime to and expect that the matter will be addressed directly through your intervention or that you will contact law enforcement for a response, then you are a Campus Security Authority.
2. **Listed Crimes** – The crime must be one of those listed in the Clery Act as a reportable crime. (See the list above.)
3. **Reportable Area** – The crime must be occurred in one of the reportable areas. Every reportable crime occurring within the boundaries of campus is in the reportable area. The two remaining areas are a little more difficult to define. Perimeter streets are described in the following way: “Sidewalk – Street – Sidewalk”. This means that a reportable crime occurring on the sidewalk on either side of a perimeter street is reportable, as are incidents occurring in the street. But an incident occurring in a building (a privately owned store) on the distant side of a perimeter street would not be included. Unfortunately, most law enforcement agencies do not distinguish where a crime occurs with this degree of detail. Crimes are usually located by street and house numbers. With regard to Non-Campus Buildings, crimes occurring in those buildings or on the property of that location are reportable. Incidents occurring on the sidewalk or on streets in front of that building would not be including.
4. **Made in Good Faith** – For an incident to be included there must be a determination that the report is made in good faith. Supporting evidence makes this determination easy, but such evidence is not always available. In such a case the credibility of the person making the report is considered. When the incident is reported to us through a law enforcement agency, we assume that this determination has already been made.
5. **Unfounded** – If law enforcement determines that a particular reported incident could not have occurred or did not occur, i.e., a false report, the crime is not included in the annual report. Only law enforcement can rule a case “unfounded”.

Clery Crime Definitions

The Crimes definitions listed below are taken from the Handbook for Campus Safety and Security Reporting. These definitions guide Peninsula College on defining and classifying crimes.

- **Homicide and non-negligent manslaughter** – is the willful killing of one human being by another.
- **Negligent manslaughter** – is the killing of another person by gross negligence.
- **Forcible sex offenses** – are any sexual acts directed against another person, forcibly and/or against that person's will; or not forcibly or against the person's will where the victim is incapable of giving consent. There are four types of forcible sex offenses:
 - Forcible Rape -Sexual Assault with an Object -Forcible Sodomy -Forcible Fondling
- **Non-forcible sex offenses** – are incidents of unlawful, non-forcible sexual intercourse. Only two types of offenses are included in this definition:
 - Incest - Statutory Rape
- **Robbery** – is the taking or attempt to take anything of value from the care, custody or control of a person or persons by force or threat of force or violence and/or by putting the victim in fear.
- **Aggravated assault** – is an unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury.
- **Burglary or Larceny (from a Building)** – is the unlawful entry of a structure to commit a felony or a theft.
- **Motor vehicle theft** – is the theft or attempted theft of a motor vehicle.

- **Arson** – is any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling house, public building, motor vehicle or aircraft, personal property of another, etc.
- **Hate crimes** – are any of the aforementioned offenses, and any other crimes involving bodily injury reported to local police agencies or to a campus security authority that manifests evidence that the victim was intentionally selected because of the perpetrator’s bias. Categories of bias are:
 - Race
 - Gender
 - Religion
 - Sexual Orientation
 - Ethnicity/National Origin
 - Disability
- **Liquor, drug and weapon law offenses** – are any violation of liquor, drug or weapon laws. Driving Under the Influence (DUI) is not reportable because it is a driving crime and not a liquor crime *unless* the driver is also a minor or the means of intoxication is an illegal drug.

Hate Crimes reporting under the Clery Act may be divided into three general categories:

- 1) Any reportable crime that law enforcement determines has a biased motive. “Bias” means a bias based on race, gender, religion, disability, sexual orientation, or ethnicity/national origin.
- 2) Crimes that results in bodily injury, and that law enforcement determines has a biased motive.
- 3) Any of the (below) non-required crimes, where it was determined by Law Enforcement that the motive was bias:
 - 1) *Pocket Picking* - theft of articles from another person’s physical possessions by stealth where the victim usually does not become immediately aware of theft. (If use of force or threat of force is present, this will be counted as a strong arm robbery.
 - 2) *Purse Snatching* – grabbing or snatching of a purse, handbag, etc., from the physical possession of another person.
 - 3) *Shoplifting* – theft from within a building which is either open to the general public or where the offender has legal access.
 - 4) *Theft from Building* – theft from within a building which is either open to the general public or where the offender has legal access.

- 5) *Theft from Coin Operated Machine or Device* – theft from a machine or device which is operated or activated by the use of coins.
- 6) *Theft from a Motor Vehicle* – theft of articles from a motor vehicle, whether locked or unlocked. Note: Do not count theft of motor vehicle parts or accessories.
- 7) *All Other Larceny* – all thefts which do not fit any of the definitions of the specific subcategories of Larceny/Theft listed above.
- 8) ***Simple Assault*** – an unlawful physical attack by one person upon another where neither the offender displays a weapon, but the victim suffers obvious severe or aggravated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration or loss of consciousness.
- 9) ***Intimidation*** – to unlawfully place another person in reasonable fear of bodily harm through the use of threatening words and/or other conduct but without displaying a weapon or subjecting the victim to actual physical attack.
- 10) ***Destruction/Damage/Vandalism of Property (Except Arson)*** – to willfully or maliciously destroy, damage, deface or otherwise injure real or personal property without the consent of the owner or the person having custody or control of it.

Daily Crime Log

The Daily Activity Log records activity reported to the Peninsula College Campus Safety Office. The log will include a summary of the incident, the date, time and general location of each incident, and the disposition, if known.

The Daily Activity Log is open to the public for inspection at all times during normal business hours. Any portion of the log that is older than 60 days must be made available within two business days of a request for public inspection.

Information may be withheld from the Daily Activity Log, in these cases:

- Disclosure of the information is prohibited by law.
- Disclosure would jeopardize the confidentiality of the victim.
- There is clear and convincing evidence that the release of such information would jeopardize an ongoing criminal investigation or the safety of an individual.

The Peninsula College Daily Crime Log can be found on the College website under Campus Safety/Emergency Management

Peninsula College is also required to report statistics for hate (bias) related crimes by the type of bias as defined below for the following classifications: murder/non-negligent manslaughter, negligent manslaughter, sex offenses (forcible and non-forcible), robbery, aggravated assault, burglary, motor vehicle theft, arson (see definitions above) and larceny, vandalism, intimidation, and simple assault (see definitions below).

Larceny: The unlawful taking, carrying, leading, or riding away of property from the possession or constructive possession of another.

Vandalism: To willfully or maliciously destroy, injure, disfigure, or deface any public or private property, real or personal, without the consent of the owner or person having custody or control by cutting, tearing, breaking, marking, painting, drawing, covering with filth, or any other such means as may be specified by local law.

Intimidation: To unlawfully place another person in reasonable fear of bodily harm through the use of threatening words and/or other conduct, but without displaying a weapon or subjecting the victim to actual physical attack.

Simple Assault: An unlawful physical attack by one person upon another where neither the offender displays a weapon, nor the victim suffers obvious severe or aggravated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration or loss of consciousness.

Domestic violence, dating violence and stalking: See definition below.

If a hate crime occurs where there is an incident involving intimidation, vandalism, larceny, simple assault or other bodily injury, the law requires that the statistic be reported as a hate crime even though there is no requirement to report the crime classification in any

other area of the compliance document.

A hate or bias related crime is not a separate, distinct crime, but is the commission of a criminal offense which was motivated by the offender's bias. For example, a subject assaults a victim, which is a crime. If the facts of the case indicate that the offender was motivated to commit the offense because of his bias against the victim's race, sexual orientation, etc... the assault is then also classified as a hate/bias crime.
