## Our Nursing, Medical Assisting, and Nursing Assistant Certificate programs are growing!

Thanks to a partnership with local healthcare providers to address a critical community need, we are accepting more students, increasing clinical opportunities for students, and offering enhanced career advising and job placement for our graduates.

We also have scholarships offered by the PC Foundation to help with tuition and fees.

## Apply Now for Medical Assisting and Nursing Assistant Certificate

## Did you know?

Our online degrees are flexible and convenient.

"Peninsula College's online program works for me because it is incredibly convenient for my lifestyle. It is great that I can earn college credits at my own location, and not have to travel to campus."

— Marley Music, Port Townsend

## Funding Your Education

To assist you in paying for your education, Peninsula College offers several options for students who qualify. Due to deadlines and limited funds, students are encouraged to apply early. Some programs are designed to support students in specific situations. Eligibility for these programs are usually determined on a funds-available basis and require a separate application to access funds.

### FINANCIAL AID | (360) 417-6390

Applying for financial aid is a process that should be started as soon as possible. Work on your Financial Aid file at the same time you are completing other college application requirements.

### OPPORTUNITY GRANT | (360) 417-5694

Assists low-income Washington state residents who have not yet earned a degree (Associate or higher). The grant can provide funding for tuition/fees and books/supplies for eligible adults for up to 45 credits in specific programs.

### SCHOLARSHIPS | (360) 417-6390

Students who are attending or will be attending Peninsula College can apply now for any number of scholarships.

### TUITION PAYMENT PLAN | (360) 417-6232

You can apply to have your tuition and fees divided into three payments.

### VETERANS SERVICES | (360) 417-6224

Peninsula College recognizes and appreciates all who have served in the United States Armed Forces. If you are a veteran, or a survivor, or a dependent of a veteran working toward a degree or certificate, you may be eligible for veterans educational benefits.

### WORK-STUDY | (360) 417-6359

Offers students the opportunity to gain valuable work experience while earning money for college. Both on-campus and off-campus positions are usually available.

### BFET | (360) 417-6296

The Washington State Basic Food Employment and Training (BFET) program provides job search, job search training, educational services, skills training, and other employment opportunities to Basic Food (SNAP) recipients who are not participating in the Temporary Assistance for Needy Families (TANF) WorkFirst work program.

### WORKFIRST PROGRAM | (360) 417-6296

A referral-based program to assist parents receiving Temporary Assistance for Needy Families (TANF) that want to further their education. Parents participate in Basic Education for Adults, High School Completion, and Professional-Technical degrees at Peninsula College.

### WORKER RETRAINING | (360) 417-6263

This free tuition program provides retraining opportunities for laid off, unemployed, and dislocated workers in the state of Washington. The financial support provided to eligible students does NOT have to be repaid.

### COMMUNITY RESOURCES | (360) 417-6340

Peninsula College is in partnership with many organizations which provide resources, both career-oriented and financial, for students and the community.

### STUDENT LOANS | (360) 417-6390

Loans are funded through the federal government and are accessible to students who have filed the FAFSA.
