# FORPC FORWARD

## Why an Unrestricted Endowment?

We cannot foresee the future needs of the College, but we can plan for them today. An unrestricted endowment is the most responsible way to do this. 100% of contributions to the “For PC, Forward” endowment will be protected forever, and earnings from the endowment will be used to support students and programs at Peninsula College. Our campaign goal is \$1 million.

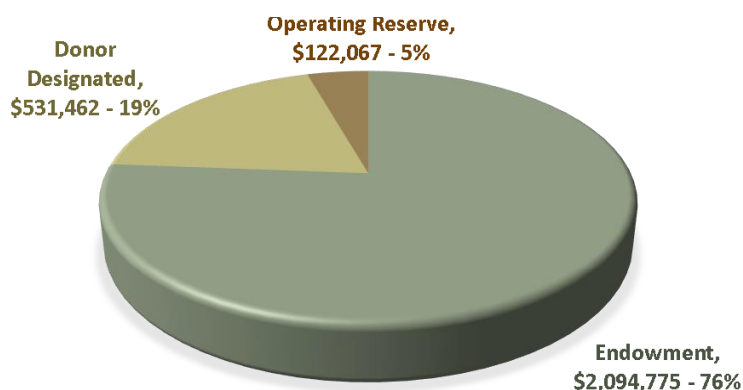

### Matching Funds

For every dollar given to this endowment, Peninsula College Foundation will receive an additional dollar in matching funds (up to \$250,000).

100% of gifts to Peninsula College Foundation go to students, programs, the College.

Total Foundation Funds as of 6/30/17:  
\$2,748,304
