Peninsula College Campus

- Modern buildings thoughtfully constructed with the environment in mind
- Classrooms equipped with the latest technology
- State-of-the-art library
- Computer, Math, and English labs with tutoring available
- Native American Longhouse “House of Learning”

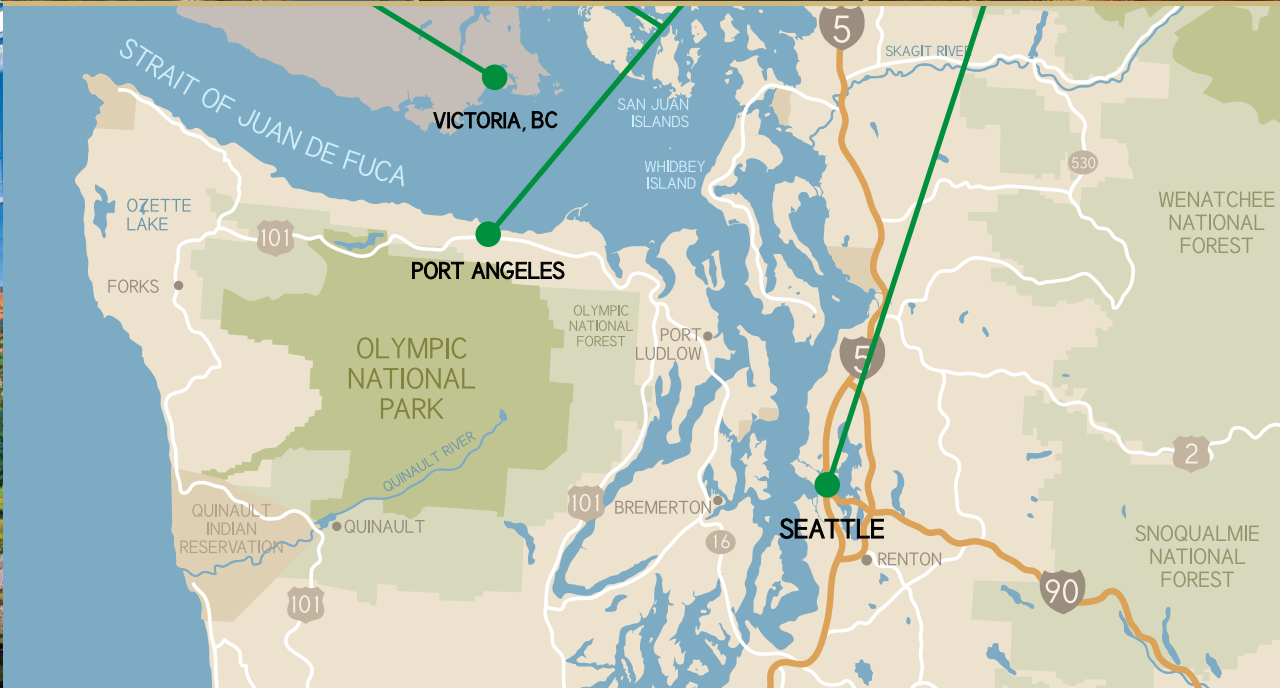

The buildings and classrooms are very modern with new computers. It is an excellent place to learn. You can make friends with students from many countries.

— Jingjing (China) 

The Olympic Peninsula

- 2.5 hours from Seattle, Washington
- 1.5 hours from Victoria, British Columbia, Canada
- Located at the foothills of Olympic National Park (UNESCO site)
- Located minutes from the beach
- Beautiful, park-like natural setting
- On bus line

Bachelor of Applied Science in Applied Management (BAS)

The Peninsula College Bachelor degree is designed with academic rigor enabling graduates to apply directly to Master of Business Administration (MBA) and other graduate programs.

Program of Study

- The curriculum includes core courses in accounting, management theory, organizational behavior, strategic management, economics, project management, social media, decision-making and problem-solving and the legal environments of business.
- Bachelor program graduates can anticipate opportunities in management positions across a wide range of industries.

Internship: A Signature Feature

- Students will participate in one, 250 hour private or public internship. Students work in partnership with the internship coordinator and the employer to develop their internship experience.

Affordable

- Peninsula College is committed to keeping education costs reasonable. Our BAS Program is very affordable with an average cost nearly 2/3 less than four year universities.

Successful Results

- 80% of students from our BAS Program obtained management positions upon graduation.
- Whether you want to manage an organization, advance your career, or become an entrepreneur, our program can help you achieve your goals!

I applied to Peninsula College's BAS Program because PC is community-oriented. I plan to get work experience here in the US for a year or two before going back to Malaysia.

Honors Program

If you are excited to learn, want to study with classmates who share your enthusiasm, and seek an opportunity to work with faculty mentors to explore your unique intellectual interests, the Peninsula College Honors Program is for you.

A One of a Kind Experience

- Unique educational program for highly motivated students who seek to be engaged in an intensive learning process.
- Students develop critical thinking skills as they pursue an Associate of Arts or Associate of Science degree.
- Students graduate with an enriched academic experience, culminating in their Capstone Project.

Capstone Project: A Signature Feature

- Students learn how to integrate knowledge from all their courses and extracurricular experiences and to share their insights with others in the Honors Program.
- Students discover an idea to pursue which becomes a focal point for a capstone project involving research, service learning, artistic expression, or even study abroad.
- Students may work with a faculty mentor on a project the faculty member is conducting, or develop a project that is uniquely their own.

The Honors Program has allowed me to learn more independently and explore with other motivated students. My success in the Honors program will help me transfer to my top choice of university in the U.S.

Housing and Student Life

Peninsula College offers international students two options for housing: Homestay and off-campus apartments. Our helpful staff will assist to help you select the best option for your lifestyle.

Homestay

- Students are carefully placed in welcoming homestays to satisfy students' desire to learn English, participate in household & local activities, and help learn life skills to become more independent.
- A full homestay includes: 3 meals every day, clean, private room, laundry facilities, internet access, and access to the local bus line.

Off-Campus Apartments

- Peninsula College refers students who wish to live off campus to a local apartment management source.
- Meals are not provided with the off-campus apartment option.
- Most apartments are located within a short distance from Peninsula College and are accessible by bus.

I have lived with a host family for two years and it has been a great experience. They are really nice and help me to adapt with the new life in America. Staying with my host family has offered me so many opportunities to learn a new language and culture.
