## **Career Pathways**

By earning a degree or certificate in the area of Arts & Communications you'll be on your way to any of the following career opportunities listed below:

- artist
- digital media strategist
- e-book designer and publisher
- filmmaker
- graphic designer
- journalist
- music educator
- musician
- philosopher
- photographer
- videographer
- web designer
- writer/author

## **Program Notes**

Please note that many universities require a foreign language and intermediate algebra (Math 98 at PC) as admissions criteria. Select from three subject areas to fulfill Social Science, Natural Science and Humanities Distribution requirements. Please refer to the AA degree guide for additional information.

# A Passion for a Unique Educational Opportunity

Our Honors program is for highly motivated students who seek to be engaged in an intensive learning process where they make connections among ideas while developing critical thinking skills as they pursue an Associate of Arts or Associate of Science degree. Students discover their intellectual interests, and the gateway to a culminating capstone experience. This distinct Honors Program leads to sustained academic success after transfer, and lifelong success after college. Contact Barbara Blackie, Honors Program Coordinator, at <u>bblackie@pencol.edu</u> for more information.

# **Math Information**

If you are not ready for college level Math, please contact your advisor about adjusting your course sequence as needed. See below for Math sequence for this pathway (Note: Math 146 -Honors or Math 141 are the math course options for this pathway):

Please note, if you change your pathway from an Associates of Arts to an Associates of Science or to a Professional Technical pathway, the Math pathway will change also.

# **English Composition Information**

If you are not ready for college level English courses, please contact your advisor about adjusting your course sequence as needed. See below for English pathway options:
