

Application Timeline

January

- Download the Phlebotomy Program Student Handbook at https://pencol.edu/sites/default/files/Phlebotomy_Handbook.pdf
- Complete a self-assessment survey to identify whether you are physically and behaviorally able to complete the tasks required of a Phlebotomist
 - The self-assessment survey is in the Phlebotomy Program's Student Handbook
- Review background check information
 - Certain convictions preclude careers in healthcare
 - Information about crimes is in the Phlebotomy Program's Student Handbook
- Schedule your immunizations or titers if you do not have the required immunizations or documentation
 - Immunizations should be complete upon application.
 - Detailed immunization requirements are in the Phlebotomy Program's Student Handbook
- Submit your transcripts to Peninsula College following instructions at <https://pencol.edu/GetStarted>
 - It can take up to ten weeks for the college to process transcripts

February

It is not too late to start January's tasks

March

It is still not too late to start January's tasks

- Apply for admission to Peninsula College before applying for the Phlebotomy Program
- The Phlebotomy Program starts in the Fall quarter, and you must be eligible to take ENGL 101 and MATH 90/91. You do not need to take these classes prior to applying.
- Peninsula College application instructions are at <https://pencol.edu/GetStarted>
- Complete your Financial Aid application before May 1
- The priority consideration deadline for Summer and Fall quarters occurs during the Spring quarter
- Apply for Financial Aid at <https://pencol.edu/financial/apply-for-aid>
- The Phlebotomy Program application is due before June 1st at 5:00 pm
- Contact Student Services
 - Request that you are added to the Program Director's advisee list
 - Change your program of study intent code to the Phlebotomy Certificate
 - Course registration is completed through the Peninsula College website. Students must contact Student Services to acquire a ctcLink ID # and be added to the AMPA student group which will provide them access to the application course on Canvas

April

- Request a letter of reference for the Phlebotomy Program application
 - Letter of reference guidelines are in the Phlebotomy Program's Student Handbook
- Take exams to place out of prerequisite courses, or submit documentation for placement test alternatives
 - Prerequisite course placements include ENGL 101 and MATH 90/91
 - You do not need to take or enroll in these courses before applying to the Phlebotomy Program.
 - Information about testing and test alternatives may be found at <https://pencol.edu/GetStarted>
- Sign up for and complete the online Peninsula College orientation at <https://pencol.edu/admissions/new-student-orientation>

May

- Compose a personal essay for the Phlebotomy Program application
 - Guidelines for the personal essay are in the Phlebotomy Program's Student Handbook
- Meet with your advisor, Rachel Pairsh, during advising week
 - You cannot register for classes if you do not meet with your advisor
- May advising sessions are for the Summer and Fall quarters
- The Phlebotomy Program application is due June 1, at 5:00 pm.

June

- Open registration for Summer and Fall quarters starts in early June
- Tuition for the Summer quarter is due in June¹
- Acceptance and rejection letters for the Phlebotomy Program will be sent by July 1st.
- Complete your background check (if accepted) by September 1st

September

- Attend the mandatory Phlebotomy Program new student orientation in early September
- The last day to register for classes is in mid-September
- The first day of the Fall quarter classes is in late September

¹ Specific dates can be found on Peninsula College's academic calendar at <https://pencol.edu/admissions/academic-calendar>
