## No Late Registration Fall Quarter

Registration must happen by September 19, 2014

PENINSULA COLLEGE

Quarterly Preview | Fall 2014

## So Much So Close!

If you haven't been to Peninsula College in a while, it's time to stop by and rediscover us and everything we offer! From outstanding academics to the arts, cultural events, sports, music, annual festivals, and more, Peninsula College is an exceptional place for discovering your potential, developing new skills, exploring your interests and deciding your future.

Here you can choose from a variety of educational offerings and degrees, including a baccalaureate degree in management, AA and AAS transfer degrees, and a range of Professional Technical degrees and certificates.

Our new Honors Program is a special draw for highly motivated students who want to discover how ideas are connected across many different fields of knowledge.

If you're working and want to brush up on your skills or take some special-interest courses, our community education classes are ideal. You can also take many courses online.

Isn't it time you rediscovered Peninsula College?

Dr. Luke Robbins  
President, Peninsula College

## Why has Peninsula College eliminated late registration?

Studies show the most successful students are the ones who attend a college class on the first day and keep attending. The first day is when the instructor outlines expectations and gives you the class syllabus. It is also the best time to meet your classmates and begin to form friendships and potential study groups. It also means you won't have to struggle to "catch up" on assignments you have missed. **Want to learn more?**

Visit [www.pencol.edu/late-registration-alert#faqs](http://www.pencol.edu/late-registration-alert#faqs)

**No Late Registration Fall Quarter**  
Effective Fall 2014, there will be no late registration. Registration must happen by September 19, 2014.  
To get started, visit:  
[www.pencol.edu/GetStarted](http://www.pencol.edu/GetStarted)

## On the Cover

Peninsula College Automotive Technology Program graduate Ryan Woods is the Battery Operations Supervisor at Automotive Research and Design LLC (AR&D) in Port Angeles.

"Peninsula College helped me get to where I am by helping me build a strong foundation for future learning and introducing me to my current employer," says Woods. "I think the biggest influence on my life was the confidence to trust the automotive abilities that I learned at Peninsula College and have learned since."

AR&D is a technology company specializing in the development of Electric Vehicle (EV) and Hybrid Electric Vehicle (HEV) propulsion systems. Founded in 1987 in Detroit, MI, the company moved its headquarters to Port Angeles two years ago.

AR&D Donation Ceremony. From Left: Christina Quarto, Tara Owens, PC President Dr. Luke Robbins, Mike Hansen, Dr. Mark Quarto, Ryan Woods, Zoe Hansen and Getta Rogers.

(Note: Christine Quarto is the Founder and CEO and Dr. Mark Quarto is the Chief Technical Officer of AR&D. Owens and Woods are former PC Automotive Technology students and current employees of AR&D, Zoe Hansen is the AR&D office manager, and Getta Rogers is development manager for the PC Foundation.)

Now, thanks to a recent generous in-kind donation to the Peninsula College Foundation from AR&D, even more automotive students will be able to experience what Woods has. Some new state-of-the-art equipment promises to make the Peninsula College Automotive Department's alternative fuels program even bigger and better! The equipment is for testing and repairing hybrid and electric vehicles and includes two high voltage battery chargers, one Gen III high voltage battery discharge unit and an infrared camera, Flir®, with the power of thermal imaging.

Peninsula College Automotive Technology Program Coordinator Mike Hansen says the equipment will allow the students to learn how to condition and charge high voltage Nickel-Metal Hybrid battery packs that are used in most modern hybrid vehicles on the road today. The Flir® camera will allow students to diagnose vehicle problems with greater accuracy, look at heat signatures of numerous vehicle components in real time on a laptop and then print the signatures.

Peninsula College is the only community college in Washington State and one of only a handful in the nation to offer an approved, accredited one-year Alternative Fuels Certificate Program. The program admits only 15 students each year.

To find out how you can enroll this fall, contact Hansen at [mhansen@pencol.edu](mailto:mhansen@pencol.edu) or by phone at (360) 417-6540.

## Programs at a Glance [www.pencol.edu/Programs](http://www.pencol.edu/Programs)

### College Transfer

Two-year degrees that transfer to almost any major college:

- Associate in Arts
- Associate in Arts Honors
- Associate in Business
- Associate in Elementary Education
- Associate in Math Education
- Associate in Science

### Bachelor in Science

Earn your four-year degree right here at PC either online or face-to-face. The Bachelor of Applied Science in Applied Management program is designed to enable applicants with AAS, AAS-T, AA, and AS degrees to combine their lower-division technical or transfer preparation, regardless of the discipline, with upper-division credits in business management, resulting in a practical, application-oriented, four-year degree.

- Bachelor of Applied Science in Applied Management

### Transition Programs

Been away from school for a while? PC has programs to get you on track to a college degree:

- Adult Basic Skills/GED
- English as a Second Language
- Continuing Education
- Learning Center
- Tutoring

### Career Training

Degrees to change or enhance your career. Professional Technical programs offer Associate in Applied Science, Associate in Applied Science – Transfer and short-term certificates.

#### PROGRAM AREAS:

- Addiction Studies
- Administrative Office Systems
- Advanced Manufacturing - Composites Technology
- Automotive Technology
- Alternative Fuels Program
- Business Administration
- Commercial Driver's License
- Computer Applications Technology
- Criminal Justice
- Cybersecurity and Computer Forensics
- Early Childhood Education
- Emergency Medical Technician
- Energy and Innovation Entrepreneurship Program
- Energy Efficiency
- Family Life Education
- Food Service Management
- Green Building
- Homeland Security & Emergency Management
- Information Technology
- Medical Assistant
- Multimedia Communications
- Nursing
- Nursing Assistant Certificate
- Welding

### Community and Business Education

PC offers a variety of classes to refresh your business skills as well as enhance your lifestyle:

- All of the Arts, including pottery wheel throwing, watercolors and quilting
- Computers/Technology, including web design, social media and home computer security
- Health and Wellness
- Job Training/Professional, including Flagging and Medical Billing & Coding
- Language and Culture

### Entrepreneur Institute

The Entrepreneur Institute provides timely and targeted entrepreneurial training, offering classes, workshops, and seminars targeted to a variety of different experience levels. Access additional business development resources throughout the region to provide comprehensive support.

#### Business courses include:

- Business Plan Intensive
- Employee to Entrepreneur
- Web Marketing
- Financial Matters

## Fall Class Schedule:

<http://classes.pencol.edu>

## AFFORDABLE

### Did you know?

1 year at PC is about one-third of the tuition when compared to a four-year university.

## 7 Steps to Get Started at PC

### 1 ▶ Discover PC

Explore the programs and degrees Peninsula College offers.

[www.pencol.edu/Programs](http://www.pencol.edu/Programs)

### 2 ▶ Apply / Reapply

Apply online or in person (Clock Tower Building D). There is no application fee.

[www.pencol.edu/GetStarted](http://www.pencol.edu/GetStarted)

### 3 ▶ Find Money

Plan ahead and do this at the same time as steps 1-7. Applying for financial aid and scholarships is a process, not a single step.

[www.pencol.edu/Financial/Apply-for-aid](http://www.pencol.edu/Financial/Apply-for-aid)

### 4 ▶ Take Placement Test

To enroll in classes, an evaluation of your skills is necessary. Take the test and/or submit transcripts for review.

[www.pencol.edu/Admissions/Testing-Center](http://www.pencol.edu/Admissions/Testing-Center)

### 5 ▶ Get Oriented

New students must participate in the online orientation. Check out the flipbook!

[www.pencol.edu/Advising/Orientation](http://www.pencol.edu/Advising/Orientation)

### 6 ▶ Advise and Register

Meet with an advisor to create your roadmap for success and register for classes.

[www.pencol.edu/Advising](http://www.pencol.edu/Advising)

### 7 ▶ Pay Tuition

Make sure to pay on time. Missing the due date will mean missing out on the classes you registered for.

[www.pencol.edu/Financial/Payment-Options](http://www.pencol.edu/Financial/Payment-Options)

## Which quarter do you want to start?

Desired Start Quarter:	Apply to PC Before:	Complete Financial Aid File No Later Than:
Fall 2014	September 2014	<b>Deadline Passed</b> (July 17, 2014)
Winter 2015	December 2014	November 21, 2014
Spring 2015	March 2014	February 27, 2015

## Peninsula College Locations Serving the North Olympic Peninsula and Beyond!

### Port Angeles Main Campus

(360) 452-9277  
1502 E. Lauridsen Blvd.  
Port Angeles, WA 98362

# Paying for College?

## Apply for Financial Aid

Applying for financial aid is a PROCESS - not a single step. It is also about dates and deadlines. To start the process, visit [www.pencol.edu/Financial/Apply-for-aid](http://www.pencol.edu/Financial/Apply-for-aid).

### You will need to:

- Complete the FAFSA and list PC as your college.
- Login to the Student Financial Aid Portal: [www.pencol.edu/financial/student-financial-aid-portal](http://www.pencol.edu/financial/student-financial-aid-portal) (Step 3 on page 4).
- Complete PC's Financial Aid Data Sheet.

### Deadlines:

What quarter do you want to start?	Apply to PC Before:	Complete Financial Aid File by:
Fall 2014	Sept. 2014	Deadline Passed (July 17, 2014)
Winter 2015	Dec. 2014	Nov. 21, 2014
Spring 2015	Mar. 2014	Feb. 27, 2015

## Submit Your FAFSA

The Free Application for Student Aid (FAFSA) application process opens January 1. File as early as possible for maximum benefits!

- Create a FAFSA PIN: [www.pin.ed.gov](http://www.pin.ed.gov)
- Go to [www.fafsa.ed.gov](http://www.fafsa.ed.gov) and fill out the FREE application.
- Look for your Student Aid Report in the mail/email. Call 1.800.4.FEDAID if you need it resent.

The FAFSA opens before most people can complete their taxes. Submit it early, then add information as it becomes available.

## Financial Aid Follow-Up

- Check application status at the Financial Aid Portal: <https://www.fas.ctc.edu/portal4/?col=220>
- Complete the PC Financial Aid Data Sheet online: Log into the Financial Aid Portal and a link will be available under "Information We Need From You."
- Respond to any other requests, all listed in the Financial Aid Portal under "Information We Need From You."

## Apply for Scholarships

**Plan ahead... it is never too early to start!**

- Create a profile at [www.theWashBoard.org](http://www.theWashBoard.org), a free web-based scholarship clearinghouse for Washington state students. It includes not only PC scholarships but external scholarships as well.

**DON'T FORGET:** PC scholarship application season is usually late January through April for the following academic year.

## 2014-2015 Tuition & Fees

Credits	Resident	Nonresident	Resident Baccalaureate	Nonresident Baccalaureate

10	\$1,122.40	\$1,252.40	\$2,508.50	\$2,638.50
11	\$1,177.39	\$1,308.08	\$2,520.38	\$2,651.07
12	\$1,232.38	\$1,363.76	\$2,532.26	\$2,663.64
13	\$1,287.37	\$1,419.44	\$2,544.14	\$2,676.21
14	\$1,342.36	\$1,475.12	\$2,556.02	\$2,688.78
15	\$1,397.35	\$1,530.80	\$2,567.90	\$2,701.35

\*Tuition includes a student self-assessed building fee of \$2.90 per credit, fitness fee of \$2.00 per credit and a \$5.00 bus pass fee.  
\*Additional fees may apply.

## Did you know?

The tuition paid by students who are state residents covers only 38 percent of the cost of the education they receive. The balance is covered by Washington taxpayers through state funding. Non-Resident students pay the full cost of their education.

This information is provided by the Washington Student Achievement Council (WASAC) as required by RCW 288.10.044.

## Bachelor's degree at PC = Savings for YOU!

Save money by attending PC for two years and earn your Associate degree before transferring to a university for a Bachelor degree.

## What's YOUR Track?

## FERPA

Family Educational Rights and Privacy Act

FERPA is a federal law that protects students'

- Right to inspect and review education records
- Right to seek the amendment of education records
- Right to consent to the disclosure of education records, and
- Right to obtain a copy of the school's FERPA policy.
- For complete written policies and guidelines, please contact Student Services at (360) 417-6340.

## Be on the “Cutting Edge”

If you’re looking for a career with a future, think Peninsula College’s **Advanced Manufacturing/Composites Technology Program!** You can train to be a Composites Technician or a Computer Numerically Controlled (CNC) Equipment Operator and Programmer in the design, manufacture and repair of marine, aerospace, automotive, recreational, alternative energy equipment and more.

Our training facility features the latest in high-end, industry-standard equipment, knowledgeable instructors and a Program Advisory Board made up of local employers. Together, they identify training needs, develop curriculum, and continuously refine the program to prepare students for exciting employment opportunities in this rapidly growing field.

### Start Now!

Enroll in ADMFG 101, offered evenings this fall. It’s one of the main entry points into our Advanced

Manufacturing/Composites Technology Program and will prepare you to enter any of the Certificate and Degree programs, including our new CNC Machining and Programming Certificate program which starts winter quarter.

*For more information, join us at an Open House event on Wednesday, August 27, from 2:00-3:30 pm or from 6:00-7:30 pm at the Lincoln Center (9th & B Streets in Port Angeles), or contact Maitland Peet, Program Coordinator, at (360) 417-6336 or email [mpeet@pencol.edu](mailto:mpeet@pencol.edu)*

## Move Your Future into High Gear

Get a jumpstart on your career and an exciting and challenging job in **Alternative Fuels Technology**. And do it at Peninsula College!

### Did you know—

- 110,000 new jobs will be created in the automotive industry over the next decade according to the U.S. Bureau of Labor Statistics
- Peninsula College is the only community college in Washington State and one of only a handful in the nation to offer an approved, accredited one-year Alternative Fuels Certificate Program.
- The program admits only 15 students each year.
- Program director and instructor Mike Hansen is one of only two college instructors in the state of Washington to have certification from the Society of Automotive Engineers (SAE) Certificate of Competence in Advanced Hybrid Diagnosis.

*To find out how you can enroll this fall, contact Hansen at [mhansen@pencol.edu](mailto:mhansen@pencol.edu) or by phone at (360) 417-6540.*

## Become the Vital Link

What do successful executives, attorneys, administrators and businesses have in common?

They all have great administrative assistants—and you could be one!

Peninsula College’s Administrative Office Systems Program focuses on helping you develop the skills necessary to work in a contemporary office setting in our digital age so you can become a vital link in a team that makes things happen.

Select from a myriad of degree and certificate options, including five Associate of Applied Science degrees that include one-year courses as well as advanced skills in word processing, spreadsheet, presentation, database and information technology software.

*For more information, contact Program Coordinator Sherry Sparrowk at (360) 417-6375 or [ssparrowk@pencol.edu](mailto:ssparrowk@pencol.edu)*

## Imagine the Possibilities

**Do you want to stretch your own limits and empower yourself?**

**Do you want a one-of-a-kind educational experience?**

If you do, Peninsula College’s new Honors Program is for you! It can help take you anywhere you want to go on your academic and professional pathway.

**Strong academics are just the beginning. You’ll:**

- Study with classmates who share your enthusiasms and intellectual curiosity as you explore different fields of knowledge and discover how ideas are connected.
- Work closely with faculty mentors.
- Develop and complete a Capstone Project in an area of particular interest and gain a level of expertise most students never achieve.

*For more information and to apply, visit [pencol.edu/honors-program](http://pencol.edu/honors-program) or contact Bruce Hattendorf at [bhattendorf@pencol.edu](mailto:bhattendorf@pencol.edu) or Dr. Daniel Underwood at [dunderwood@pencol.edu](mailto:dunderwood@pencol.edu).*

To help you get started, once you are admitted to the Honors Program Peninsula College will give you a **free laptop computer** loaded with all the software you’ll need for your coursework!
